Size Chart - Men's T-Shirts

Size	XS	S	M	L	XL	2XL
Chest	18	19	20	21	22	23
Height	25	26	27	28	29	30

* All size measurements are in inches

Chest **A**

Chest width is measured approximately 2 inches below the armhole point across the garment from edge to edge.

Height **B**

Height is measured in a straight line from the highest point of the shoulder at the joint of the collar, to the bottom opening.

XXXL	12	28 cm

Pour connaître la taille de vos gants, mesurez le tour de la main dont vous vous servez le plus, sans prendre le pouce. Fermez la main et relevez la mesure. Reportez vous ensuite au tableau de correspondance des tailles de gants ci-dessous.

To work out the size of your gloves, measure the circumference of the hand you use the most, excluding the thumb. Close your hand and note the measurement. Match it to the sizes in the chart beside.
